Rulemaking 03-10-003
(Filed October 2, 2003)

**ADMINISTRATIVE LAW JUDGE'S RULING
MODIFYING SCHEDULE**

This ruling modifies the schedule in this proceeding pursuant to a request by San Diego Gas & Electric Company (SDG&E) on behalf of Southern California Edison Company (SCE) and Pacific Gas and Electric Company (PG&E) and with the concurrence of several other parties.

On November 26, 2003, the assigned Administrative Law Judge (ALJ) issued a ruling setting a schedule. The assigned Commissioner affirmed the ALJ ruling in a subsequent scoping memo issued December 4, 2003. On December 5, 2003, counsel for SDG&E, speaking for itself and SCE and PG&E, electronically contacted the ALJ and all parties seeking modifications to the adopted schedule. The communication asked for specific changes to the schedule to provide more time for parties to prepare written documents and permit rebuttal testimony. The communication states that several parties had agreed informally to the schedule changes, including The Utility Reform Network, Office of Ratepayer Advocates, Golden State Power Cooperative/San Francisco Community Power Cooperative, and the Local Government Commission. The ALJ subsequently invited parties to object to or comment on the proposed schedule changes by

December 10, 2003. No party has since objected to or commented on the proposed schedule changes.

This ruling adopts the modifications to the schedule proposed by SDG&E, as follows:
